III. Uniformity Proposal before the Executive Committee for Action

The Chair noted that the Uniformity Committee's recommendation for a public hearing on a Model Sales and Use Tax Notice and Reporting Statute was before the committee for consideration. He asked the chair of the Uniformity Committee's Subcommittee on Sales and Use Tax to present the recommendation.

Mr. Cram told the committee that the model statute was inspired by the Colorado law which requires remote vendors selling into Colorado to inform their customers that Colorado use

tax is due, and to provide the customers with an annual report of their purchases. The law also requires retailers to report to the Colorado Department of Revenue about customers' purchases.

Mr. Cram also informed the committee that the Direct Marketing Association filed suit in Colorado court and won an injunction against Colorado implementing this law. Mr. Horwitz provided an update regarding this litigation.

Mr. Huddleston noted that Oklahoma has enacted similar legislation and that California, South Dakota, and Hawaii have all introduced similar legislation this year.

Upon a motion duly made by Mr. Fong, the proposed model statute was approved for public hearing on a unanimous roll call vote.

IV. Adjournment

Upon a motion duly made, the meeting was adjourned at 11:17 a.m.
